

ACCA Education Expression of Interest

I am interested in the following training and development opportunities:

Through the Registered Training Organisation, areas such as:

Cemetery and Crematoria Operations

Grave digging and Grounds Maintenance

Horticulture

Business administration in the cemeteries industry

Non-accredited staff training and development workshops

Delivering quality customer service

Exhumations

Grave digging safety

Dealing with grief

Managing increasing cultural needs in cemeteries

What other types of training do you need support with?

To help us identify training locations, please leave your name, contact details and potential numbers of staff who require training.
