

*To all our valued customers,*

Due to the current unavoidable events with cancelled conferences over the next couple of months, we wanted to take an opportunity to show you all of the exciting things we have been working on over the last couple of months.

Our team of designers at Everlon, put a lot of work into the design of the products that we provide to all of our customers. We put together a video to show you what goes on 'behind the scenes' to provide you with an insight as to what our organisation is capable of. Follow this link to watch: <https://www.youtube.com/watch?v=51Df5mfbGG8&feature=youtu.be>

Our team have also recently refreshed our marketing material with a new range of flyers, all of which can be downloaded through the following dropbox link: <https://www.dropbox.com/sh/avot0ak7cv6h1t0/AABRvAaTifgl4aEdjDepP5lQa?dl=0>

If you would also like a hard copy of these, along with our price book or selection guide, please feel free to contact us as we have plenty available.

Everlon is a team of passionate professionals, always willing to work together to create innovative and captivating products for our customers. Please feel free to contact us at any time for innovative and everlasting memorials.

We thank you all for your ongoing support and look forward to continuing our work together in the future. Wishing everyone the best during this time and hope you and your family are all staying safe and healthy.
