QLD Cemetery Training Day

2024 is the year for CHANGE!

The ACCA QLD Cemetery training day is set to emphasize operational training and will take place at the Drayton & Toowoomba Cemetery on Thursday 27th June in Queensland.

This event will offer training and networking opportunities for front-line staff in both operational and administrative roles.

While primarily tailored to our Queensland members in the absence of state association representation, members from all states are welcome and we encourage you to participate.
