INTRODUCTION & WELCOME

2024 CONFERENCE

ACCA 35TH ANNUAL CONFERENCE

The Annual ACCA Conference and Trade Exhibition is the largest gathering of industry professionals and product and service suppliers in Australia.

This Conference, which takes place in Spring, allows delegates the opportunity to learn not only from seasoned professionals but also from those more recent entrants to the cemeteries and crematoria sector. Delegates will gain insights into innovative trends, international issues, and a wide range of concepts affecting this ever-changing industry landscape.

The Trade Exhibition is a significant component of the Annual Conference every year. It is the only national exhibition of industry products and services and brings the heavy hitters of our industry supply chain together with new businesses that are about to make their mark with innovative product and service concepts.

THE VENUE

This year's venue is the famous Adelaide Oval, just outside the city CBD and near the gardens - it is a venue sure to impress.
